A REPORT

ON

**FACULTY DEVELOPMENT PROGRAMME ON "SUSTAINABLE
EDUCATION WHILE PANDEMICS"**

Date: 26.05.2020 to 30.05.2020

The IQAC of SHDCHE organized a Faculty Development Programme on "Sustainable Education While Pandemics" from 26th May 2020 to 30th May 2020 for college faculty, Dr. A.K. Chaudhary; the Director of the college started the session with inaugural speech and highlighted the key features of the session. He said that in 2020, as the COVID-19 pandemic spread across the globe, a majority of countries announced the temporary closure of schools, impacting more than 91 per cent of students worldwide.

The internal resource person Prof (Dr.) M.N.Jha stressed that Sustainable development cannot be achieved solely through technology, political regulation, or financial mechanisms. Humanity needs to change its way of thinking and behavior. This, in turn, requires the provision of quality education and training for sustainable development at all levels and regardless of social conditions. In turn, the COVID-19 pandemic has dramatically changed the situation in the field of education in all countries of the world. It has been a very knowledgeable, beneficial and goal oriented FDP. Dr. Neelam Soni, director of the college concluded the FDP.
