POLICY ON ENVIRONMENT SUSTAINABILITY

This Policy document shall be called the “**SHDCHE Policy on Environment Sustainability**”. It shall come into force from the session 2022-2023. The policy statement highlights how the college would pursue environmental best practices and inspire the sustainable use of resources at the community level within and outside college premise. It lays out the concepts, delineate priority areas, and methods for the college's environmental plans' implementation, management, and evaluation.

Objectives

- To facilitate effective implementation of the Green Campus, Energy and Environment sustainability.
- To undertake auditing procedures for yearly assessment of our environmental policy implementation and adopt the feedback of auditing agency for improvement.
- To support innovative eco-friendly solution for any environmental related problems.
- To create awareness among young students and public about various environment related problems and conservation of Nature and natural resources in the surrounding area and educating on how to live Eco-friendly.

Aspects of the Policy

- Environment Initiative
- Efficient and Sustainable Energy Initiative
- Awareness Initiatives
- Audits

Environment Initiative

- Water Conservation through Rainwater Harvesting System.
- Regularly organize cleanliness drives.
- Tree plantation drives are conducted frequently.
- Signage for ban of plastics for plastic free campus.
- Minimize the use of paper in administration through having policy for E-governance.
- Solid waste and liquid waste is scientifically maintained.

Efficient and Sustainable Energy Initiative

- Installation of rooftop Solar Power Plant.
- Installation of Energy Efficiency Equipment.
- Switching off all the appliances when not in use and signage for the same.
- Energy saving by use of LED lights.

Chairman
