## Preface

Sant Hari Dass College of Higher Education ensures up gradation and enhancement of knowledge of its students and faculty members from time to time in order to meet the challenges of this competitive era. In the light of this objective, a National Conference was organized in July 2024.

India is witnessing a wave of entrepreneurial spirit nowadays. In every house, irrespective of status or background, people want to start businesses and establish their own companies. It has been proved that innovation clubbed with a passion for problem solving can create a startup ecosystem. Presently, India is the third largest start up ecosystem in the world. Start-Ups significantly contribute to the country's economy by driving employment expansion. As India stands at this crucial juncture, poised to take off on its growth trajectory, there is enormous work that needs to be undertaken in a mission mode to make India, Viksit Bharat by 2047. As the youth constitute our largest population group therefore it is important to channelize the innovative ideas of the youth into nation building by inviting them to contribute to the vision of Viksit Bharat. This can be best done by empowering Start-ups culture. In this Conference we will discuss various perspectives and aspects of Start-ups ecosystem and its alignment with Viksit Bharat.

This book is the compilation of the research papers of the academicians and Teacher Educators. These papers were part of the National Conference *on “Empowering Start- Ups Culture: A stepping stone to Viksit Bharat”* held in July 2024. The papers were categorized under the following themes:

- **Journey of Start- ups in India**
- **Women Empowerment through Entrepreneurship**
- **Sustainable Growth for Bharat's Start –ups**
- **Emerging Technologies Governance by Start-Ups**
- **Digital India and Start-Ups**
- **Global Expansion in relation to Start-Up Regulations**

So, all the stakeholders like students, researchers, academicians, professionals, experts discussed and explored new avenues, challenges, opportunities and emerging aspects. Participants shared their experiences with their new ideas in the form of articles and research papers.
